BULLSHIP 2008

It is time to think about the BullShip! Entries are available from Paul at bullship_registrar@yahoo.com

Information goes something like this.....

The Bullship Registrar wants you to send an email to bullship_registrar@yahoo.com and let him know you are interested in participating in the 2008 Bullship--as a skipper, helper, or cowship skipper. Please have persons you know who want to participate also contact the registrar. Also, send along any snail mail addresses that the registrar should contact by USPS. We do not want to miss sailors who do not or cannot access email. Thanks, Paul

To the Richmond Yacht Club Mid-Winter El Toro Fleet

During lunch on Sunday, Gail, regatta PRO, agreed to use a series scoring system for the El Toros and Optis. This is differently from the way the other fleets will be scored. We will be using the traditional method of all races together with 1 throughout for every 7 races. El Toros have 12 races so far.

Skip Shapiro, PRO

From the Right Coast

From Val Taliaferro-

Contact with the permits office at the National Park Service indicates we may be able to run the Cherry Blossum regatta in the Tidal Basin under the same criteria as last year including a \$50 non refundable application fee. I will proceed with the application process and once again ask for help with the Race Committee. I will provide the committee boat but need help to arrange for buoys to mark the course. Please let me know which of these dates of Saturday April 26 or May 3 is best for the El Toro fleet schedule as I need to specify a date in the application.
