Dennis Silva and Paul Zander teamed-up to take the lead from Art Lange and John Marlett on the third lap of the four leg Fremont Relay.

Paul Tara and Dan Cook made a great move in the first leg to challenge Art and John but could not hold on to their sizable lead.

Skip Shapiro and Buzz Blackett kept the pressure on but never broke into the top three.

The double Junior team of Mackenzie Cook and Patrick Tara made it very difficult for the Seniors to get around this team.

This year the fleet had a good mix of senior and junior teams with mixed teams taking second, third, ninth and eighteenth.

1. Paul Zander and Dennis Silva
2. Art Lange and John Marlett
