Fred Paxton has been working behind the scene to create a good environment for El Toro's during the

## **Big Dinghy at Richmond Yacht Club, March 28th.**

We need to support Fred and the El Toro Class and register and sail in Keller Cove. There are 9 boats already registered and/or said they will be there. This includes Vicky, John Amen and other very knowledgeable El Toro sailors. I will anchor "Arena" on the race course to provide a safe haven for our class if the weather does not co-operate. "Arena" can also be a towing boat. The chances are that it will be challenging weather but sailable and do-able and good practice for the BullShip. We do not expect any boats from out of the greater bay area so this is a good chance to race against the Richmond Crowd. Who knows, the El Toro Class may be the biggest fleet!

On Sunday there may only be two or three El Toro's for the "Around Brooks Island" handicap pursuit race.

See you at Richmond Yacht Club.
