## **This Sunday RYC Mid Winter Series #4 last one**

**One of the topics of conversation this Sunday, hopefully, will be about the work the coordinators and committees organizing the Richmond Yacht Club April 17-18 "Big Dinghy Regatta" hoping to attract a big fleet of El Toros. Last years regatta was sailed in Keller Cove,, not this year,,El Toro sailors of RYC are now organizing this regatta to be sailed **inside the channel** where we usually sail. This will insure good sailing and this is also being done to include the Junior sailors. The spring westerly winds should be insuring great conditions for the fleet.**

**This needs to be the topic of conversation and remember the BullShip entry forms are now on line.**
