Five days until the Pinto Lake Invitational! Weather for next Sunday looks sunny and mild - a perfect day. With dry weather and dry boats the inspection process will go smoothly this year. This race is part of both the Junior and Senior Series for 2010. The SCYC folks have been planning a great barbeque. (Trust me - the food at the Pinto Lake events has definitely been taken up a notch since Paul was doing the cooking.) This is home turf for the SCYC Juniors. A number of SCYC parents have also spent a lot of time on the water at Pinto as well so bring your A game! Hope to see all of you there for a great day of sailing. If you can register in advance, that would be great. If not, would you shoot me or Kristen Lenz an email so we have an idea of how many burgers we will need. NOR link below:

An update on the Tuckahoe Regatta:

Our usual launching dock will be inaccessible, as the neighbors are putting in a new dock. PUXE (my motorboat) is docked at a neighbor's, 3 houses downriver. Access to this dock is a steep walkway and descent by ladder to the floater, so my plan is to launch the Toros into "my" marsh and tow them with PUXE down to Dave's floaters. Any problem with this?? Showers, bathrooms, water, etc., and the run of the house are available, as usual. Trophies awarded at my house, too. Grif will man the Committee Boat, and Janet will probably be crash boat again. High tide is 11 a.m., so it would be nice to have the boats ready to go between 10:30 and 11:00. Please let me know if all the afore-mentioned is OK with you.

Looking forward to seeing all of you,,,

Carol
