News and comment for the El Toro Class

March #368

Richmond Yacht Club put on a Great Show last Saturday. Excellent race committee work, good decisions, on time races, good courses, and a no complaints all day! The weather and wind cooperated. First race was sailed in 6 knots of wind, second race in 8 and by the time the fourth race started some of the lighter sailors were sitting on the rail. The starting line was near the leeward mark and the finish line was near the weather mark. With a split line configuration it enabled the committee to run 6 races in 3 1/2 hours! There was "no waiting" at the starting line. Races ran continuously But the wind moderated for the last two races and eased way off making the evening dinner weather delightful.

It is rare to say, but if you missed it,, you missed. It was truly one of the best El Toro racing days this year. Richmond Yacht Club and their race committee really showed what they can do!
