This Sunday Fremont Sailing Club, Lake Elizabeth

Fremont Relay report (results to follow)

The Fremont Relays were a big success. 44 El Toro Sailors played on the four lap, lake course. And as usual the leading team for most of the race was not the eventual winner. Art Lange and his team lead for all three of the relay team skipper switches! Fred Paxton and his Junior El Toro partner took the lead for almost of the complete third lap but it was the come-from-behind team with Robbie Engelhart that stole the lead on the last upwind beat to the finish line that won the Fremont Relays.

We need to mention that Adrianus Rommelse's family is becoming more famous. Family member Andrew Maloney finished third (on the podium) of the Laser World Championships. He was sailing for New Zealand. The highest US sailor was 29th.
