

# Bull Session

*news and comment of the El Toro Class  
November, 2012 # 434*

El Toro 2012 National Champion, Fred Paxton keeps on winning. He has been presented with a prestigious award. Richmond Yacht Club has voted Fred "**Sailor of the Year**". He now joins other El Toro Sailors including Vaught Seifers, Gordie Nash and son, Will Paxton who have been previously honored. Fred out-shined the other 7 sailors, who also won national championships. He was recognized, not only for his years of sailing, but because he has been PRO of many RYC Regattas. Truly a racing sailor who has 'given-back' to his yacht club, his El Toro Class and his sport!
