

# Bull Session

*news and comment of the El Toro Class  
January 2013# 451*

*The first RYC Midwinter's, this Sunday, January 6th was a day of light shifty winds. Not a good practice day for Hawaii because the wind rarely got above 6 knots, and that was in the puffs.*

Winds were predicted to be in the 5 to 7 knots range from the north in the morning and becoming calm by Sunday evening. And it did.

Vaughn Siefers led the way with the best finishes of the day. His new boat will be in-build soon.

With almost 20 senior and over 20 Junior El Toro sailors the fleet looks big. We will need to become familiar starting in big fleets because Hawaii could have 30 Seniors and 40 Juniors on the line for the Championship Series on Kaneohe Bay.

## **Bulls in Hawaii**

# Housing in Kaneohe

**Accommodations for Racers, Families and Visitors.**

The towns nearest Kaneohe Yacht Club are Kaneohe, Kailua and Lanikai - so if you want to be near your boat start by looking for lodging in these towns. There are no large name brand hotels in any of these towns - so think B&B, Condo and Home rental. In Hawaii, a B&B is not a grand old house with all the amenities- at a hotel like price. B&B's in Hawaii are spare rooms in someone's home or a guest cottage - at a very reasonable price. If you want a big name brand hotel, you'll need to look at Waikiki or North Shore - about a 45 minute drive from Kaneohe Yacht Club.

We strongly recommend beginning with HCVB's (Hawaii Convention & Visitors Bureau) website [www.gohawaii.com](http://www.gohawaii.com). It has links to many of the following addresses. For those not online, some telephone numbers are listed below. Another excellent link is "Vacation Rentals By Owner" or [vrbo.com](http://vrbo.com).

[Tripadvisor.com](http://Tripadvisor.com) not only provides rental suggestions but other activities reviewed.

Our newest listing is [Ohana Beach Rentals](#), which has done a [nice write-up of the race](#).

### **Regular Listings**

This collection are the various ongoing commercial establishments on Oahu that are available. This list is constantly changing and is to the best of our knowledge. We do not guarantee results.

Some of the listings below will have many properties available, others will be singular. Also, many B&B owners remain independent of associations. They do however refer business to one another. If you speak to someone who is booked or cannot suit your needs, ask them for referrals!

Our B&B experts advise web searches as follows:

<http://www.KailuaVacationRentals.net>

<http://www.vacationhosts.com>

<http://hawaii-vacation-homes.com>

<http://www.google.com> and search on "Oahu Beach Rental"

<http://cyberrentals.com/HI/HI>

<http://www.ownerdirect.com>

<http://www.vrbo.com>

Below are listings taken from the HCVB website listings, the Kailua-Kaneohe telephone book and the Kailua Chamber of Commerce. (We attempted to sort them to include those that should have accommodations on the Windward side but make NO guarantees.)
