

Bull Session

news and comment of the El Toro Class

We are waiting for the final point count. Two boats will be given re-dress and one of the sailors is Vaughn Seifers. Vaughn was the big winner of the mainland fleet today with finishes of 4 and 6th. Yesterday he served on a protest committee for the juniors and missed a race so he will be given the average of his finishes and this may move him up into the top 10.

Jesse Andrews was only one point behind Dylan DiMarchi until he was called OSC,,he went back and still worked his way back to 5th! Probably not enough to win the series but still a comfortable second place. Perennial champion Kui Lim will be in the third or fourth position. He is a real sportsman to be sail so well but just a click off the pace of the young Kaneohe Boys.

Standing by the committee room!!!
