

Bull Session

news and comment of the El Toro Class
August 2013 #486

The Horizon Lines container holding the Northern California El Toro fleet is scheduled to be unloaded on Thursday, August 22, 5 pm at "Fred's Place."

This may be a little inconvenient for those going to Pinecrest. If you need to make other arrangements,,see Fred. It is important that no El Toro's remain in his warehouse for any length of time. The company has been gracious to let us use the building so we need to be thankful and get our boats away from the business working from the warehouse.
