Richmond Mid Winter Series #2

Fred got 'robbed',,,Fred, John, Art all got down to where the leeward mark was and it was gone!

After a terrifically windy up-wind, a hiking out, not just sitting on the rail wind, and a scary down-wind run where 3 seniors went swimming, the wind had blown the mark away! Then the wind increased.

That was it for RYC midwinter's #2.

This Sunday

Lake Merritt Mid Winter Series, Sunday January 12th

Mr. James Savatone and his wood boat is leading this Winter Series. We should also see Tom Burden and a few other good El Toro Sailors chasing James.

The Juniors are really showing the way on this Lake. There are 17 Juniors from at least three different clubs sailing.
