

# Bull Session

news and comment of the El Toro Class  
March 2014 #506

I have been working in the management end of the class and neglecting this email newsletter. The class insurance is almost in place. At least we now have a copy of the policy and now they have our class address correct.

John has been working on the accounting and setting up the Foster City "Flight of the Bulls Regatta".

Kelli has confirmed all the dates for the 2015 El Toro Nationals with the Santa Cruz Yacht Club.

The next regatta is the Richmond Yacht Club **"Big Dinghy", April 12 th.** All classes are invited.

The club does not have any information posted yet. The El Toro's usually do not sign-up for the Sunday pursuit race. Saturday is the only "Senior Class Counter".

It is time to start planning for the **BullShip, April 26 th.** All the information is on the El Toro web site. [www.eltoryra.org](http://www.eltoryra.org)

More later.
