**Three Bridge Fiasco** will be this Saturday, January 31. If you are sailing this, North America's largest regatta, please let me know. We will report your fleet position.

The next day is Richmond Yacht Club's 3rd, Sunday Winter series race, February 1.

**This Sunday!**

\*\*\*\*\*

During this weekend, remember to pace yourself, sail as though there is a tomorrow!

\*\*\*\*\*

Please look closely at the classes for this Summer's National Championship Series. There is a new category! It is a Non-Carbon Fiber group. This is an idea from the Santa Cruz group that has a great deal of merit. Lets get a big fleet for this class. It is up to us, those of us who race the carbon mast and sail rigs, to spread the word! It is our responsibility to talk to others that we are inviting all the rest of the El Toros built to participate.

\*\*\*\*\*

This may seem strange but we need to find those El Toro Sailors who do not get email,,by sending out an email? The class needs to send them a print copy of the newsletter.

The Notice of Race and Sailing Instructions for the Santa Cruz North American Championship Series is now ready. It will be on the El Toro website soon and we want to send it out to everyone.
