invite all, Junior and Senior El Toro Sailors to longest and oldest continuously-held regatta of the RYC to this years El Toro Stampede, started in the late 1940's, **October 11th**. This is for both **Juniors and Seniors**.

Also, remember that the RYC Winter-Series and Lake Merritt Winter Series will start in December. Both race days are very well run and the fleet of El Toros is very large! This is one of the last two events before we crown the 2015 Senior season champion.

El Toro stories and video in archives:

There is a great drone video of the El Toro fleet racing on Clear Lake taken by Chris Twirbutt, a professional drone-camera guy. It can be found on the El Toro web site, [Norcalsailing.com](http://Norcalsailing.com) and the Scuttlebut web site. It is very worth watching two or three times!
