Clear Lake Regatta, we have two crash boats and a Committee Boat. We have invited a small trimaran class to join us. The WETA class is a perfect addition to the great warm sailing on Clear Lake, June 18-19.

There is a great drone video of the El Toro fleet racing on Clear Lake taken by Chris Twirbutt, a professional drone-camera guy. It can be found on the El Toro web site, Norcalsailing.com and the Scuttlebut web site. It is very worth watching two or three times!
