

It is with great sadness that we report the passing of John Gilmour. He is the husband of Vickie, father of Whitney and JV, father-in-law of Garth, and grandfather of Cooper and Jaxson. John was a world class sailor. In his prime, he consistently finished in the top ten in the 505 World Championships. In more recent years he raced his 30 foot Etchells. In his final year he chartered a Bird, an old fashioned San Francisco Bay class. He will be missed by all. Fair winds and following seas John!
