

Preliminary

Third 2016-2017 Race Day, Edna and Howard Robinson Memorial Midwinter Regatta
Sailed at Lake Merritt February 11, 2017

Four races were held on a sunny day, following many days of stormy weather. Two of the skippers took long detours to join us, with Santa Cruz mountain highways blocked by landslides. Winds were variable, mostly westerly. Six El Toro skippers participated – all Seniors. Two Sunfish also participated. Results are shown below (LMSC scoring system - one point for starting, one point for finishing, one point for each boat beaten, and ¼ point for finishing first.)

RC chair Vickie Gilmour was assisted by Commodore Peggy Darnall, using offshore starts and finishes. Onshore, Jackie and Jim Kearney and Duncan Carter handled RC duties.

The first day of racing in the midwinter series, scheduled for December 10, 2016 was cancelled because of a storm. The second day of racing normally January 8, 2017, was postponed to January 15 to accommodate the RYC racing schedule
