For more information on individual regattas visit www.eltoroyra.org

This series is an officially sanctioned El Toro class event with Class Junior Membership required (\$15). Final result of each regatta to count, one throw out.

Each regatta is a stand alone event with requirements and fees unique to its venue (see individual NORs). Participants must race in the Advanced or Gold fleet for any event that offers more than one junior class. Series perpetual trophy and 1st, 2nd, 3rd place final trophies.

The Season Championship perpetual trophy is an actual framed watercolor of an El Toro by renowned Bay area marine artist Jim Dewitt that resides permanently at SCYC.

This is a great opportunity to sail in some of Northern California's best El Toro venues and meet kids from other clubs.

Junior Eligibility

All El Toro skippers who have not had their 15th birthday before midnight on January 31st qualify as a Junior and may race in all El Toro events for that entire calendar year.
