

The Annual Bullship Race Association
64th Annual Golden Gate Bullship Race
Sailed Saturday, April 22, 2017

Twenty-five El Toro skippers were greeted by cloudy skies, fickle winds, and remnants of an earlier ebb. Under the watchful eye of Grand Admiral Russell Shroff and a fleet of Cowship escorts, the El Toro skippers all finished the crossing within 2 hours and without incident.

Thanks as ever to the Cowship fleet, without which the Bullship race would be impossible. Special thanks to Ornaith Keane, registrar, for managing registration!
