

Fiberglass El Toro Moore Rudder  
Dan Mills (831) 840-2852  
Located in Santa Cruz, CA

Selling a nice fiberglass El Toro rudder built my Moore. Excellent condition except for extra set of holes for pintles. Includes till but no extension, and not "fast pin" for securing tiller to rudder. I don't remember the circumstances that led me to have two rudders, but this one is hardly used at all.

\$75
