

Fiberglass El Toro Moore Rudder
Dan Mills (831) 840-2852
Located in Santa Cruz, CA

Selling a nice fiberglass El Toro rudder built my Moore. Excellent condition except for extra set of holes for pintles. Includes till but no extension, and not "fast pin" for securing tiller to rudder. I don't remember the circumstances that led me to have two rudders, but this one is hardly used at all.

\$75
