news and comment of the El Toro Class  
June, 2013 #474

Measuring Santa Cruz Day, this Saturday June 29. Mark and I will be there to certify all the boats planning on sailing in Hawaii.

We will check that mast and boom bands are painted on, boards stopped at 18", rudders in place, sails, hulls,,in an assembly-line style.

Where?

Turn left onto Broadway Avenue at the stoplight. You will pass Gault Elementary School on your left and Broadway is immediately after it. Make the second left onto Darwin Street. Star of the Sea park back entrance will be on your right and there will be street parking there.

You should see all the boats and masts lined up. If you have questions, my cell is 831-818-9254 See everyone Saturday at 11 am.
