This Weekend - Pinecrest Lake Worlds -

'Worlds' refers to the dinner on Saturday evening. It is a "Pot Luck" with dishes from a Country. This year the "Independent Peoples Republic of Berkeley" will again be recognised. Hawaii will be a favorite this year. Fred will have all the info. This year the fleet will be sailing on the course where the 2016 Nationals will be held. There will be Juniors and Seniors this weekend.

Richmond Yacht Club regatta committee has contacted the El Toro Class and asked the class how to stage the

"Totally Dinghy Regatta" so more El Toro's will race. So far Steve Lake will be taking over running the Potrero Reach, inside course duties. Steve has raced El Toros and his daughter is also a very good El Tor Junior Sailor.

So far I have asked the regatta chairman to "Start" the **Biggest Fleet** first. We need to be the biggest fleet!!!

Put September 19th on your calendar. I will let you know how the plans for this regatta developed.

There is a great drone video of the El Toro fleet racing on Clear Lake taken by Chris Twirbutt, a professional drone-camera guy. It can be found on the El Toro web site, Norcalsailing.com and the Scuttlebut web site. It is very worth watching two or three times! Try,,,<http://vimeo.com/131362498>,,,
