

Bull Session

news and comment of the El Toro Class

December, 2015 #563

eltoroyra.org

etiyra@comcast.net

My new email address is,, gncjr@gmail.com..just add an "g" and gmail.

This Sunday, the first Richmond Yacht Club Winter Series

Race

December 6 th

Registration is easy by going to,,richmondyc.org,,then to Winter Races and sign up. All the start times are there.

If I can do it, you can. This weekends first weather progs show no rain! Some weather sites show an Easterly, one show a normal Westerly. The water will not be moving to quickly either.

Should be a good day to dust-off the El Toro and come-to-play.

I am in the possess of entering the 21st century. I now have a new 'smart phone' and new email address. The old email one still works but not for long.

Next will be a new system in the house so I can get off "dial-up".

The RYC Winter-Series and The Lake Merritt Winter Series will start in December. RYC on December 6th and LMSC on December 12th. Both race days are very well run and the fleet of El Toros is very large!

2016 Schedule, so far

The add going into Latitude 38's Schedule is in to their office. We will show this add hopefully, next week. All the new dates are done.

BullShip either March 25th or April 2nd

May 7th for Flight of the Bulls

May 15th for Fremont Relays

August 3-7th Pinecrest

winter series starts

This Sunday

RYC

December 6

LMSC

December 12

 Pincrest Worlds 6-7
- 2017 Alameda Sailing Center
- 2018 Lake Yosemite
- 2019 Kaneohe Bay
- 2020 Clear Lake

El Toro stories and video in archives:

There is a great drone video of the El Toro fleet racing on Clear Lake taken by Chris Twirbutt, a professional drone-camera guy. It can be found on the El Toro web site, Norcalsailing.com and the Scuttlebut web site. It is very worth watching two or three times!
